Deputation appointment of Veterinary Scientist in the Pay Matrix 12/13/13A at the level of Scientist- D/E/F

The Wildlife Institute of India is a premier National Institution in Wildlife Research, Conservation, Training and Management. The Institute is looking for Competent Veterinary Officers with expertise in Wildlife Management on deputation initially for a period of three years which may be extended further for a two year period for the project "Population Management of Species involved in Human Wildlife Conflicts". The project is a MoEFCC sponsored project that aims to develop appropriate mechanisms for population control of select wild animals species that are in conflict with humans. The project will be implemented in two phases that would involve developing and implementing a range of strategies including immuno contraception for managing wild animal populations.

Applications are invited from eligible Veterinary Officers working in Veterinary Universities/Institutions/State Governments for filling up of 01 post at Scientist D/E/F level for appointment on deputation basis in Wildlife Institute of India, Dehradun as per the details given below:
